SPREADERS

TAILGATE SPREADERS

TGSUV1B

TGSUV1B

Capacity: 4.41 cu. ft./331 lbs. #1 rock salt or similar material
Ideal for the home owner/residential user. The adjustable spread path is designed for one-pass coverage of driveways and access roads.

TGSUVPROA

Capacity: 4.41 cu. ft./331 lbs. #1 rock salt or similar material
Ideal for residential/light commercial applications.

PART NO.	DESCRIPTION	WT.
TGSUV1B	SUV Tailgate Spreader	68 lbs.
TGSUVPROA	SUV Tailgate Spreader, Professional	74 lbs.

TGS01B

TGS01B

Capacity: 8.02 cu. ft./602 lbs. #1 rock salt or similar material
The most cost-effective commercial grade spreader to maintain large commercial grounds.

TGS05B

Capacity: 10.79 cu. ft./809 lbs. #1 rock salt or similar material
Commercial grade salt spreader features a low-profile design for unrestricted rear view & a protected internal motor assembly.

PART NO.	DESCRIPTION	WT.
TGS01B	Tailgate Spreader	135 lbs.
TGS05B	Low Profile Tailgate Spreader	212 lbs.

OPTIONS:

025000A	Wintergate Spreader Mount	48 lbs.
0207005	2" Receiver Tube Mount	45 lbs.
0207100	12-Light LED Brake Light	1 lb.
3009476	Replacement Motor, 12V DC	21 lbs.
3010220	Replacement Motor, 12V DC prior 2009	21 lbs.

TGS05B

Variable Speed Controller
Part No. 3008623
 Standard with TGSUVPROA, TGS01B, TGS05B, and TGS06

TGS06

TGS06

Capacity: 10 cu. ft. #1 rock salt or similar material.
Commercial grade salt spreader features a low-profile design for unrestricted rear view & a protected internal motor assembly.

PART NO.	DESCRIPTION	WT.
TGS06	Low Profile Tailgate Spreader	160 lbs.

IDEAL FOR RESIDENTIAL APPLICATIONS

SUV TAILGATE SALT SPREADERS

- Dimensions: 40.5"H x 22.5"W x 20.5"D
- Features an attractive and rugged black polymer hopper and orange powder coated steel mounting frame.
- Fold-away feature—simply release hitch pin & spreader folds away for easy access to rear door or tailgate.
- Capacity: 4.41 cubic feet/331 lbs. #1 rock salt or similar material

TGSUV1B

Ideal for the home owner/residential user. The adjustable spread path is designed for one-pass coverage of driveways and access roads.

- Heavy-duty 12-volt spreader motor is housed in a sealed motor chamber. Includes cigarette plug adapter.
- Material flow from 12' to 14' controlled from a manual, stainless steel open/close gate, and an in-cab on-off control.
- Ultra-smooth hopper interior allows material to flow through the gate, to the stainless steel-lined hopper throat and spinner, providing an even flow of material.
- Comes complete with all mounting hardware for 1½" and 2" receiver hitches.
- Cigarette plug adapter
- Material gate, on/off control

TGSUVPROA

Ideal for residential/light commercial applications.

- Heavy-duty sealed ball bearing 1/3 HP spreader motor with direct-to-battery wire harness.
- Material flow up to 30 feet controlled from an in-cab variable speed control.
- Ultra-smooth hopper interior, in addition to the auger design, provide for easy material flow and reduced material "bridging".
- Direct to battery power
- Material auger
- Variable speed controller
- Comes complete with all mounting hardware for 2" receiver hitches.

IDEAL FOR COMMERCIAL APPLICATIONS

TGS01B & TGS05B TAILGATE SALT SPREADERS

- Attractive and rugged black polymer hopper & orange powder coated steel mounting frame resist rust & corrosion.
- Heavy-duty 12-volt spreader motor is housed in a sealed motor chamber (The TGS05B motor is located inside the hopper for extra protection.)
- Material flow and spread width, from 3 feet to 30 feet are controlled from an in-cab electronic spreader control panel.
- Ultra-smooth hopper interior, in addition to the auger design, provide for easy material flow and reduced material "bridging".

TGS01B

The most cost-effective commercial grade spreader to maintain large commercial grounds.

- Dimensions: 45.7" H x 29.7" W x 30.3" D
- Capacity: 8.02 cubic feet/602 lbs. #1 rock salt or similar material

TGS05B

Commercial grade salt spreader features a low-profile design for unrestricted rear view & a protected internal motor assembly.

- Dimensions: 40.1" H x 54.3" W x 27.3" D
- Capacity: 10.79 cubic feet/809 lbs. #1 rock salt or similar material

Mounting Options:

- Mount directly to the step bumper (standard, all mounting hardware included)
- Mount using the optional Wintergate Spreader Mount, allowing full bed access (Part No. 025000A).
- Mount using an optional receiver mount for a 2" receiver tube (Part No. 0207005).

TGS06 TAILGATE SALT SPREADER

Commercial grade salt spreader features a low-profile design for unrestricted rear view & a protected internal motor assembly.

- Dimensions: 40" H x 63" W x 27" D
- Capacity: 10 cu. ft. #1 rock salt or similar material.
- Rotationally molded double-wall poly construction requires no welded steel framework.
- Heavy-duty 12-volt spreader motor is housed in a sealed motor chamber inside the hopper for extra protection.
- Concealed 80 lb. vibrator.
- Mount directly to bumper or 2" hitch receiver (includes universal stake pocket attachment).
- Hinged lid with self-latching handle eases loading.
- Molded-in hopper handles.
- Easy to use adjustable flow-gate design.
- Material flow & spread width, from 3' to 30' controlled from an in-cab electronic spreader control panel.
- Easy maintenance (motor replacement).
- Low-profile design for unobstructed rear view.
- Lighter weight unit for higher load capacity.
